

ENVIRONMENTAL POLICY

Castle Drilling Company Pty Ltd is committed to the minimisation of short-term effects and the elimination of long-term effects on the environment due to our drilling activities.

To enable this, Castle Drilling Company will ensure that:

- 
- All statutory requirements that relate to the environment will be observed
 - Basic and practical procedures and practices are to be adopted at all times
 - Any incident that could have or has the potential to cause damage to the environment will be reported
 - All client requirements will be complied with

This policy applies to all employees and contractors to Castle Drilling Company.

Matt Skeet
Managing Director
