

SAFETY AND HEALTH POLICY

Castle Drilling Company Pty Ltd is dedicated to the protection of the safety and health of all employees, contractors and visitors.

To accomplish this goal management will:

- Provide competent supervision
- Promote an environment in which safety and health is considered to be part of the normal work environment
- Foster co-operation, participation and consultation with employees and clients in the formation of plans aimed at minimising the risk of injury or illness due to workplace hazards
- Provide adequate resources to develop, implement and maintain a safe working environment, safety awareness, education and training
- Abide by all statutory acts and regulations as our minimum standard
- Regularly review safety and health programs and procedures to enable continual improvement

All employees have a responsibility to:

- Take reasonable care for their own well being and that of others
- To work in a safe and healthy manner
- To comply with safety and health instructions issued by the company or by clients
- To report immediately any incident, injury or workplace hazard
- To be actively involved in the continued development, implementation and
- improvement of the organisations Safety and Health management

Safety and Health is seen as individual and shared responsibility and it is up to everyone within the company to participate and co-operate with this policy to ensure its success.

Matt Skeet
Managing Director
